Date 13 December 1983Reference OLL No. 83-2904/2 and 83-1818

HILL CONTACT Betty Alonso for Ellie Vogtmann 224-4651
 COMMITTEE/MEMBER Senate: Foreign Relations Committee - Historical Series
 SUBJECT Declassifying of CIA information in SFRC Documents
 ACTION OFFICER [REDACTED] 25X1

SUMMARY: (See referenced letters...no change from position stated in 83-1818 dated 28 July 1983 per discussion with [REDACTED] 12 December.) I called Ellie 25X1 to inform her that a letter would be going to her setting forth this position as a result of a second review. Betty advised Ellie would be away from the office until after Christmas. After a discussion with Betty, she suggested holding off on the letter until Ellie returns since nothing would be done on the matter. Ellie is the one in charge of the Historical Series declassification project. Perhaps if Ellie continues to disagree with our position someone from CIA ([REDACTED] 25X1 most likely) would go down and chat with her. Betty will advise Ellie to call me upon her return to the office.

ACTION ITEMS: Wait for call from Ellie Vogtmann, SFRC
